

SENATOR RICHENDIFER: Not on that amendment.

PRESIDENT: Fine, any further discussion of the Simpson amendment to LB377? Any further discussion? All those in favor of the motion say aye, those opposed say no. Ayes have it so ordered. The amendment is adopted. On with the bill then.

CLERK: Mr. President there are now further amendments offered by Senator Simpson. Read amendments.

PRESIDENT: Senator Simpson.

SENATOR SIMPSON: Mr. President, I move adopting of the amendment. The purpose of this amendment is that once each year the claims of all people shall be shown and this would be in the middle of the summer, it gives them a little leeway when they shall publish this, but once each year everybody should publish this. Otherwise when there are any changes on either present employees or new employees

being hired why this would also be published so that the public would know just exactly what people were getting or any changes were made up or down.

PRESIDENT: Senator Richendifer.

SENATOR RICHENDIFER: Would you yield to a question Senator Simpson?

SENATOR SIMPSON: Yes.

SENATOR RICHENDIFER: Now this includes all counties. I am a little confused on this 150,000 and 200,000 wording that you have in here. What I am interested in is that this does include all counties must do this.

SENATOR SIMPSON: I'm not sure that the wording would take care of that exactly. What was the limitation on that Vince?

CLERK: On all counties having a population of more than 150,00 and less than 200,000.

SENATOR SIMPSON: No, it would not. But it separates out Lincoln as a separate county. I think that I would be open to an amendment to allow any county below this if you so wish and the rest of the body would so wish it that way.

SENATOR RICHENDIFER: All right, now what if I resubmitted my amendments that you threw in the waste basket?

PRESIDENT: Any further discussion of the amendments? Senator Anderson, did you wish to be heard on this amendment? Chair recognizes Senator Anderson.

SENATOR ANDERSON: I wonder if Senator Simpson would yield to a question?

SENATOR SIMPSON: Yes.
